AFTER THE GULF WAR: BALANCING SPACEPOWERS DEVELOPMENT

Biblioscholar. Paperback. Book Condition: New. Paperback. 50 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. Early military applications of space-based assets bore little resemblance to their successful use in the first information war. The US developed most of its early space systems to serve the Cold War nuclear deterrence strategy. The need to protect space sources and methods resulted in a high degree of secrecy and organizational compartmentalization. As a result, when Desert Shield began the highly fragmented leadership of the space community...

Reviews

This pdf will never be straightforward to get going on studying but quite enjoyable to read through. This is certainly for all those who state there was not a really worth studying. You are going to like the way the blogger publish this publication.

It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
