Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Japanese Animation: East Asian Perspectives makes available for the first time to English readership a selection of viewpoints from media practitioners, designers, educators, and scholars working in the East Asian Pacific. This collection not only engages a multidisciplinary approach in understanding the subject of Japanese animation but also shows ways to research, teach, and more fully explore this multidimensional world. Presented in six sections, the translated essays cross-reference each other. The collection adopts a wide range of critical, historical, practical, and experimental approaches.
