This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2010 in the subject Business economics - Investment and Finance, grade: 1,0, Berlin School of Economics and Law (Fernstudieninstitut), course: EUROPEAN COHESION POLICIES, language: English, abstract: The first chapter is divided into two sections; the first section aims to present the most important steps toward the current systems of European Cohesion and Funding Policies, and the second section summarizes the main funding streams of the current cohesion policy. In addition, in the second part, the linkage between the different financial instruments and the objectives of Structural Fund assistance is clarified. The second chapter examines the effectiveness and efficiency of the cohesion policy in reducing regional disparities, with a reference to the preceding funding period. Due to the restriction on the length of in this paper, the reduction of regional disparities will be assessed by examining economic performance and employment according to the objectives of the cohesion policy and its financial instruments. Due to the difficulties in separating the contributions of the cohesion policy from the overall effects of progress, the achievements of...
