### Reviews

*Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Dreamscape Media, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 140 x 130 mm. Language: English . Brand New. From the extra pounds and bullies that left her eating lunch alone at school to the low self-esteem that left her both physically and emotionally vulnerable to abuse, Jasmin Singer's weight defined her life. Even after she embraced a vegan lifestyle and a passion for animal rights advocacy, she defied any skinny vegan stereotypes by getting heavier. It was only after she committed to juice fasts and a diet of whole foods that she lost almost a hundred pounds and realized what it means to be truly full. Told with humble humor and heartbreakingly honest, this is Jasmin's story of how she went from finding solace in a box of cheese crackers to finding peace within herself.
