

Parler, un jeu à deux (Guide): Un guide pratique pour les parents d'enfants présentant des retards dans l'acquisition du langage

Filesize: 4.56 MB

Reviews

This written publication is fantastic. I am quite late in start reading this one, but better then never. You will not feel monotony at at any time of your respective time (that's what catalogues are for concerning should you ask me).

(Tevin McClure)

PARLER, UN JEU À DEUX (GUIDE): UN GUIDE PRATIQUE POUR LES PARENTS D'ENFANTS PRÉSENTANT DES RETARDS DANS L'ACQUISITION DU LANGAGE

Hanen Centre, 2004. Softcover. Book Condition: New. (French translation of It Takes Two to Talk, 2004) Écrit dans un langage simple et rempli d'illustrations animées et colorées, ce bel guide montre aux parents comment aider leurs enfants à communiquer et apprendre le langage quotidien au cours des activités telles que le repas, l'heure du bain, la lecture et l'heure du jeu. C'est une ressource inestimable pour les parents des enfants qui sont aux premiers stades de communication à ceux qui ont commencé à parler dans des phrases courtes. C'est une ressource également précieuse pour les orthophonistes et autres professionnels qui fournissent le soutien et les services aux familles des jeunes enfants avec des retards langagiers. --- Written in simple language and filled with lively, colorful illustrations, this French edition of Hanen's most popular parent guidebook shows parents how to help their child communicate and learn language during everyday activities like mealtime, playtime and book reading. It is invaluable for parents of children ranging from those in the earliest stages of communication to those who have begun to talk in short sentences. Parler, un jeu à deux is supported by the most current research, and includes easy-to-use checklists, practical guidelines for choosing communication goals, and a new section on building the foundations for literacy. This user-friendly guidebook shows parents how to have fun with their children while turning every interaction into an opportunity for language learning. 170 pages. 2004.
