

Hope Mills (Paperback)

Filesize: 5.66 MB

Reviews

This book is fantastic. This is certainly for all those who statte there had not been a really worth reading. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Prof. Dale Fahey MD)

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. There is Fred again with his arm around Jack Darcy s neck. I declare, they are worse than two romantic schoolgirls. I am so thankful Fred goes away to-morrow for a year! and I do hope by that time he will have outgrown that wretched, commonplace youth. Mother, it is very fortunate that Jack is the sole scion of the Darcy line; for, if there were a daughter, you would no doubt be called upon to receive her into the bosom of the family. Which I never should do, remarked quiet, aristocratic Mrs. Lawrence, not even raising her eyes from her book. Not for the sake of your only son? continued Agatha, with an irritating laugh. Don t be silly, Agatha, returned the mother, with an indifference that took off the point of the query. Her second sister glanced up from a bit of pencil-drawing, then lowered her eyes to the street where the boy friends stood, one with his arm over the other s shoulder. Think of a Harvard graduate arm-in-arm with-well, a mill-hand! No doubt Jack s father will put him in the mill. I cannot see any sense in a boy of that class taking two years at the academy. On the opposite side of the room were two girls, hardly more than children, busily engaged in ornamenting a box with transfer-pictures. One had a rather haughty mien, as became a Lawrence; the other, pretty, piquant little Sylvie Barry, looked toward the elders, knit her brow, with both thought and indignation visible in its lines, and held her picture absently in her hand.
