Balboa Press Australia, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Throughout this book, I want to make you realize that life is beautiful you just need to find or create the solution to succeed in it. It's going to take you through different aspects of success, whether is that in your personal life, family life or business/work life and will lead you to put them on the right track, by giving you a skill to recognize your visions, set up your goals and the ability to achieve them. As a result, it will teach you how to continuously live your life successfully. Accordingly to achieve your success, you will need to connect two main domains of the success with four different stages, which I talk about throughout this book. These four stages are: Stage 1: Open your eyes and start living your beautiful life Stage 2: Transmit your destiny Stage 3: Control your mind and wisdom Stage 4: Keep moving forward Now I challenge you to stay focused and forget about the problems. This is the key to becoming successful with this book, as it is not concerned with talking about problems, but rather focused on creating and finding solutions.
