Paperback. Book Condition: New. Paperback. 134 pages. This is a brilliant study, profusely illustrated with cartoons and propaganda posters. Atbashian explains why Socialism cannot work. He exposes the injustice of Collective Greed and shows why Economic Equality is a fraud. The book is an eye-opener as the author illustrates his points with examples drawn from his life in the Soviet Union before 1994 and more recent events in the USA. Oleg Atbashian has written a timely warning for Americans about the collectivists among us and their plans for the future. I hope everyone reads this book. -- David Horowitz, Author of One Party Classroom (2009) In his brilliant, witty, and wonderfully illustrated Shakedown Socialism, Oleg Atbashian -- who grew up in the Soviet Union, shows what is happening in Obamas America today, and explains why it is putting us on the road to ruin. Shakedown Socialism is an enlightening, sobering, and wonderfully clear explanation of why statism kills -- and thus also of why and how Barack Obama is killing the American economy. This book shows why Obamas statist economic policies are a looming disaster for America and for the spirit of the free human individual. -- Pamela Geller, author, The Post-American Presidency: The Obama Administrations War On America Brightly written and filled with entertaining and illuminating illustrations, Oleg Atbashians Shakedown Socialism is a clear and eye-opening guide to exactly what is wrong with socialism and state control of the means of production, and how it kills both the economy and human initiative. Shakedown Socialism is an essential and inspiring guide to the virtues of the free market. -- Robert Spencer, author of the New York Times bestsellers The Politically Incorrect Guide to Islam (and the Crusades) and The Truth About Muhammad This item ships from multiple locations.
