Watkins Media, United Kingdom, 2010. Hardback. Book Condition: New. 156 x 108 mm. Language: English . Brand New Book. The Aquarian Gospel was revealed to the highly gifted spiritual and psychic medium, the Rev. Dr Levi H. Dowling (1844-1911). He was in a state of heightened spiritual awareness - a trance-like state - and the words came into his mind unbidden. His testimony has been accepted as authentic by many Christian sects. According to the Rev. Dowling, the young Jesus was keen to prepare for his great Mission and wished to learn about the ancient religions of Hinduism and Buddhism. Taking the widely-travelled Silk Route he journeyed to India and Tibet, returning via Persia, Assyria, Greece and Egypt. He underwent many trials and adventures, all vividly described in The Aquarian Gospel . Jesus journey has been generally accepted in Tibet, Nepal, northern India and Kashmir for over 2,000 years. There, not only does scriptural and archaeological evidence survive, but the legend is so firmly rooted in popular folk memory that it is regarded as certain fact. This volume presents those selected chapters from the much longer Aquarian Gospel of Jesus the Christ that describe the Missing Years . It is an enthralling book and one that every serious student of modern religion or spirituality should read.
