## David Bailey: Look

By David Bailey, Jackie Higgins

Phaidon Press Ltd. Hardback. Book Condition: new. BRAND NEW, David Bailey: Look, David Bailey, Jackie Higgins, David Bailey was part of a new generation who revolutionized fashion photography in the 1960s and made stars of models such as Jean Shrimpton. He was also among the first photographers to become a celebrity in his own right, socializing with and photographing many of the cultural icons of the 1960s and 1970s, such as Catherine Deneuve, The Beatles, Rolling Stones, Michael Caine and Andy Warhol. He has held contracts with British, American and Italian Vogue and contributed to many other major magazines and newspapers over more than 40 years. His simple and direct style is accompanied by an intimacy that reveals the personality and sensuality of his subjects. Over the course of his successful career, Bailey has produced books, paintings, commercials, documentaries and feature films and remains a high profile figure in photography and filmmaking. This book delves into the photographer's archive and provides an engaging overview of his career, including early and previously unpublished work alongside his iconic portraits from London and New York in the 1960s.
