Minotaur Books, United States, 2014. Paperback. Book Condition: New. 170 x 104 mm. Language: English . Brand New Book. Too much knowledge can be deadly for P.I. Sarah Booth Delaney in her latest undertaking in *Smarty Bones*, the thirteenth novel in Carolyn Haines's award-winning mystery series. Professor Olive Twist has come to Zinnia, Mississippi, to study a mysterious grave wherein lies the Lady in Red, an anonymous but perfectly preserved and stunningly beautiful body. Since the discovery of the grave in 1969, Mississippi schoolchildren have been making up colorful stories about the Lady in Red's identity and past, but no one has come any closer to learning the truth. Now, Olive claims she can not only identify the corpse, she can also prove the woman's scandalous role in the nation's history. Olive takes it a step too far, though, when she starts connecting elite Zinnia families with the same scandal. Delightfully fun. *New York Post* Dander up, Zinnia's society ladies know only one way to handle Olive: they call on the private investigative services of Sarah Booth Delaney. But the truth behind Olive's research is clear as Mississippi mud, and when Sarah Booth discovers a present-day dead body, she knows there's more than just family pride and Southern heritage at stake. If she can't find the murderer, and fast, it might just be Sarah Booth's life on the line next. If you enjoy mysteries with rich Southern settings, fascinating history, and quirky characters, you'll devour this one quicker than a plate full of buttermilk biscuits. *Mystery Scene* magazine.
