Janet discuss the fundamental differences between commercial soap and homemade soap and the pros and cons of specific soap making procedures so readers can determine which one works best for their needs. For practical reasons, Janet does not include instructions on how to make soap using the least favored home-crafting method--the hot process. Do you know how to color a soap blue or beige? You ll find the answer to those essential soap making questions, and many others, between the pages of this crafty, comprehensive soap-making guide.
