The range of tiles on the market today is better than ever, and the book makes the most of the wealth of new materials available such as spangled tiles or inexpensive but authentic gold-leaf tiles. All suitable for beginners, the 25 projects in the book range from simple decorative pieces, such as the enchanting, simple child's footprints and butterfly stones to practical and sturdy weatherproof pieces, including a trompe l'oeil chequered mosaic tabletop and delightful planters that will add colour to your garden even in winter. Some projects, such as the nightlight, can be finished in under two hours.
