

In a Desert Land: Economic Survival Strategies for Minorities in America (Paperback)

By Tim E Davidson Sr

Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. We have at least five economies that are alive and well in America and are becoming more and more prominent with every passing decade. First, we have those who are one months worth of food stamps away from starving. These are the unemployed, underemployed poor people we see in the grocery stores, malls and Walmarts that dot the landscape of our country. Next, we have those who are one pay check or two away from losing everything they have worked so hard to obtain. Their day to day work routines are the only thing that keeps the food stamp rolls from expanding out of control. The third group is represented by those of us who make enough to create the appearance that they are living the American dream with a measured amount of success. These people have a handle on their budgets enough to keep their heads above water, save a little money, have decent insurance, drive decent vehicles and plan vacations they really can't afford. The fourth group is occupied by those who have issues, and...
