Yorkshire Publishing, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. The author aligns her psychological perspective with the Tibetan s (Ascended Master Dhwhal Khul, aka Master DK) cosmic wisdom to address the central issues that humankind will be increasingly facing in the upcoming years. The Tibetan s intent is to help us prepare for tremendous change. Humankind is now walking the razor s edge. We must make a significant shift in consciousness. There is no other place to go but forward. We are collectively undergoing total transformation -- a new human being is emerging. So much promise awaits us; we are architects of the new paradigm. We have no road maps or guides for this collective birth. Allow this guide book to provide a greater perspective on the challenging process of consciously making a transformational, fundamental shift in consciousness. Rather than feel like overwhelmed victims of a strange time on the planet as we sense the old way of things slipping through our fingers into a sea of chaos, this field guide reminds us that today s evolutionary demands offer a profound opportunity to to make tremendous spiritual progress, to liberate the soul from lifetimes of hardship and limiting beliefs, and to co-create a brand new understanding of our potential as a human race. We are learning to language a new paradigm, to accept an unprecedented colossal amount of soul homework, and to support each other through the rigors of alchemy. All of this hard work is not for naught. Within these pages, the Tibetan offers his teachings to clarify, ease, catalyze, and reassure us on this mysterious journey. This book is written to help focus us on what is most important at this time, to provide guidance for how to best...
