

## The Boy from Reactor 4

Filesize: 6.95 MB

### Reviews

*The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*

BRILLIANCE AUDIO, United States, 2014. CD-Audio. Book Condition: New. Unabridged. 170 x 132 mm. Language: English . Brand New. Nadia s memories of her father are not happy ones. An angry, secretive man, he died when she was thirteen, leaving his past shrouded in mystery. When a stranger claims to have known her father during his early years in Eastern Europe, she agrees to meet only to watch the man shot dead on a city sidewalk. With his last breath, he whispers a cryptic clue, one that will propel Nadia on a high-stakes treasure hunt from New York to her ancestral homeland of Ukraine. There she meets an unlikely ally: Adam, a teenage hockey prodigy who honed his skills on the abandoned cooling ponds of Chernobyl. Physically and emotionally scarred by radiation syndrome, Adam possesses a secret that could change the world if she can keep him alive long enough to do it. A twisting tale of greed, secrets, and lies, The Boy from Reactor 4 will keep listeners guessing until the very end.
