

Cycles of Prosperity and Depression: In the United States, Great Britain and Germany a Study of Monthly Data from 1902 -1908 (Paperback)

By Alvin Harvey Hansen

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. This monograph attempts two things: first, a detailed analysis of monthly data for a single cycle of prosperity and depression; second, a comparative analysis of monthly data in the three great industrial nations of the world, the United States, Great Britain and Germany. The secular and seasonal fluctuations are eliminated, for the work is concerned with cyclical fluctuations. The method used is to construct relative or index numbers from the actual data by using a new base for each of the twelve months of the year. The average of the actual figures for each January in the seven-year period is used as the base for January data, the average of the actual figures for the seven Februarys is used as the base for February data, and so on. The author selected twenty-three series of monthly data for the United States, fifteen for Great Britain, and fifteen for Germany. The Pearsonian coefficient was used to establish correlation, and to determine whether the series are synchronous or whether there is a lag, and if so how much of a lag....
