Two Square Miles: The Heros of a Small Town (Paperback)

By Bill Hayes

Fireship Press, United States, 2009. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Clawson, Michigan is a small town-only 2.4 square miles. Once little more than two sawmills and a few farms, it was eventually captured by the urban sprawl of Detroit. In the years following WW-II the town rapidly grew as large numbers of homes were built for the blue collar workers needed to fuel the auto and manufacturing plants of the post-war boom. There is, however, little remarkable in that. It's the story of thousands of small towns-places from which you would expect very little. But that would be a mistake. Those two square miles wound up producing an extraordinary number of truly remarkable and gifted people. In an area smaller than what would be needed for a few good sized urban shopping centers, it somehow managed to produce a host of professional athletes, innovative business people, writers, and major players in the arts and entertainment industries. This does not include the hundreds of doctors, lawyers and other professionals-nor the tens of thousands of simple, honest, hard-working people-who got their start there. Clawson got the job done...

Reviews

This publication could be worth a read through, and far better than other. This is certainly for all those who statte there was not a worth reading through. You may like just how the author compose this publication.

-- Dr. Kayley Kovacek PhD

This is basically the very best publication i actually have go through until now. It really is loaded with knowledge and wisdom I realized this publication from my i and dad encouraged this publication to discover.
