The main book is perhaps the first attempt in the English language that collects all the authentic hadiths on each aspect of the performance of the salah - be that a physical movement or what is recited in it - then groups them together, allowing the reader to see the exact practice of the Prophet (s). The main book is intended for the serious students who seek in-depth evidence for each topic while the Summary Edition is a simple-to-read small book that is designed for the common Muslims who only want to know the final conclusions with minimal supporting evidence. ----- REVIEWS ON THE COMPLETE SET ----- For those who . desire to know how to pray based on the Prophetic example, this book will provide them with that guideline and the confidence that they will be making salah in the way...
