*Unquestionably, this is actually the very best work by any article writer. It usually does not price a lot of. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Tyndale Momentum, United States, 2014. Paperback. Book Condition: New. 212 x 142 mm. Language: English . Brand New Book. Have you settled for far less of God than He wants to reveal? Do you feel close to God in your everyday life . . . or does He too often seem distant and silent? Maybe, like many Christians, you live somewhere between those two extremes. You occasionally sense God s presence, but at other times feel as if He s a million miles away. The wonder of closeness with God is available to you here and now. This workbook, a companion to The Presence DVD curriculum (and book) by Alec Rowlands, walks you through six sessions of seeking God. Rowlands reveals the ways God makes His presence known, how you can prepare for it, and how experiencing it will transform everything. As you draw near to God--as you are consumed by His love and your life is rearranged by His grace--you ll find fulfillment, purpose, and an unmatched sense of adventure. If you re feeling a hunger for more of God, you are already on your way to discovering: He is good. He is powerful. He is here. ( The Presence DVD and book are available separately.).
