You must network with others who can help you get ahead. Juliette C. Mayers, president and CEO of Inspiration Zone LLC, gives you practical advice on how to build your personal brand and strategic networking plan in her new book The Guide to Strategic Networking: Dream. Plan. Create. Achieve. Mayers expands upon the principles shared in her first book to include help on how to develop an action plan. Here, she offers a mix of advice and encouragement in order to inspire you to make your dreams come true. Mayers uses examples of her own career, including how she became president of a firm specializing in multicultural consulting, brand management, and thought leadership. She also draws from her leadership experience at GE Capital, Bank of Boston, The Ad Club Foundation, and Blue Cross Blue Shield of MA. Also included are action-oriented Making It Real exercises to help you develop your own written strategic networking plan. Get in touch with those who can help you succeed at business and in your career—from using social media effectively to understanding the importance of attending networking events, Mayers lays out an easy roadmap for you to follow.
